Here are the animals farmers raise, and the food and clothing they produce. Can you draw a line from each animal to the product it gives us?

Raising animals is hard work. A mink farmer gets up early every morning to help feed the animals and give them water.

Help me
find my
home.

Find the mink in this picture by coloring each numbered space as shown.

From mink, we get warm, soft fur for coats, jackets and hats, fine oil and other products.

COLOR: These items made from mink

Put me together dot to dot and I will show you what I've got.

Then perhaps when you are done I will rest awhile in the sun.

Jingles are a fun way to learn about mink. Here are some to make you think.

A mink is a critter
that is meaner than
a boar $2+2=4$

$3 \times 7 = \underline{\quad}$

Learning about
mink can be fun.

Mink need a home,
for them it's a
pen. $5 \times 2 = \underline{\quad}$

Mink need feed and
water, so do we.

$3 \times 11 = \underline{\quad}$

Mink fur is
short, mink fur
is fine.

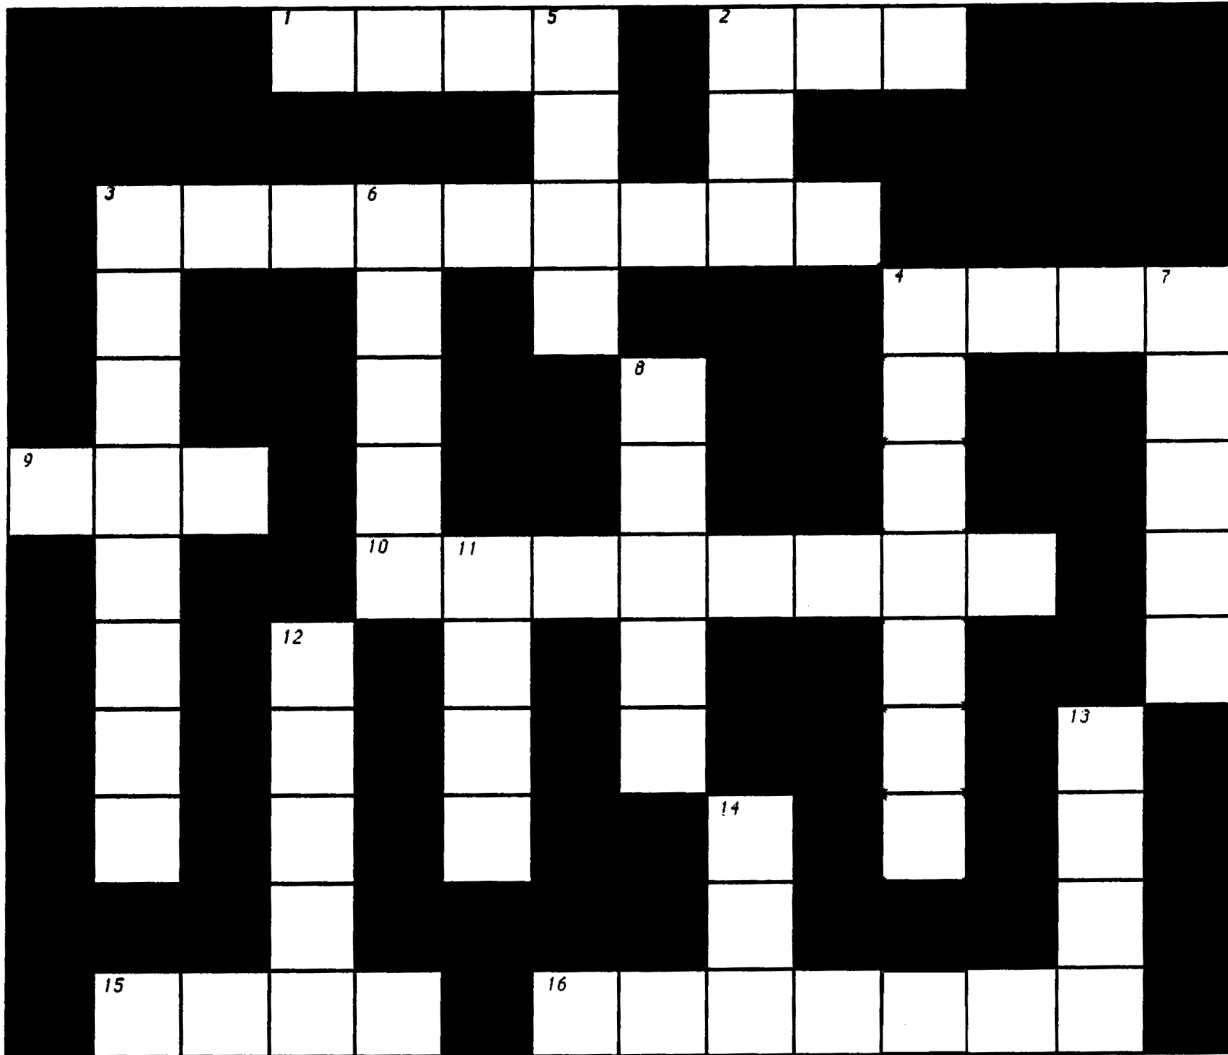

$7 \times 7 = \underline{\quad}$

Now that you know how
it's done, try one and
have some fun.
